REMEMBER TO ENTER YOUR TIME INTO OUR VOLUNTEER LOG: ASWM wants to know what time is provided to ASWM from its various partners as we work together to acknowledge those contributions. We also use the non-federal time of our workgroup members as cost-share for our EPA Wetland Program Development Grant. ASWM has developed this tracking tool to help us simplify capturing the work you do for any project you help with at ASWM. **Please click on the following link <https://forms.gle/RePxAwj5DYmVm5SN7> and enter your hours for each week you have contributed time to ASWM.** If you are working on more than one project, hours will need to be entered for each project separately. Directions are included at the end of the attached PowerPoint from our call, if you need a refresher.

RECORDING OF FIRST WORKGROUP CALL AVAILABLE TO WORKGROUP MEMBERS: If you would like to listen to the call again or were unable to attend the first call, please feel free to listen to the recording of the call. Workgroup call recordings are for workgroup use only and should not be shared beyond the workgroup. Here is the link to our call on July 17, 2019:
